

Tool Bags and Back Packs

Tool Bags and Back Packs

- Cat® tool bags and backpacks are engineered and constructed to meet the demands of professionals and serious do-it-yourselfers. They're built to last with rugged, water resistant polyester for ultimate strength and durability with minimal weight penalty.
- Professional features include heavy-duty stitching and bar tacking at critical stress points, comfortable padded handles, heavy-duty #10 zippers with rubber injection pulls and extended lanyards, sturdy shoulder straps and reinforced or moulded bottom panels.
- Tools stay organised in reinforced pockets and compartments, and Cat yellow interiors offer maximum visibility for locating tools and gear.
