MIG160

Your Versatile Multi-Process Performer

Step up your welding game! This versatile 160A powerhouse delivers professional results on everything from thin-gauge repairs to 6mm fabrication—all from a standard 10A plug.

- Complete Multi process capability with MIG, STICK and DC Lift TIG (optional torch)
- Intelligent Synergic Control for fast wire and voltage balancing
- Gas and Gasless versatility for workshop precision or outdoor welding
- Standard 10A Plug-and-Play power from any household outlet
- Rugged and lightweight compact design for site mobility

CUT40

Effortless Precision Plasma Cutting

Unleash precise cutting power with the Weldco Plasma Cutter.

Make light work of all conductive metals, including mild steel, stainless, and aluminium, for fast, effortless, cleaner cuts versus abrasive methods.

- Cut 10mm steel and 6mm aluminium easily
- Cuts up to 1.8x faster than oxy-fuel and 10x faster than a grinder.
- A smart investment, with 15 amp plug

WDCUT40

MIG200 PULSE

NEW

All-in-one, High-quality Welder

- Pulse MIG welding delivers clean, high-quality welds with less spatter and a smooth, consistent finish.
- It offers better control of heat than standard MIG welding, helping reduce distortion and burn-through—especially on thinner materials.
- Although best known for aluminium welding, Pulse MIG also works extremely well on stainless steel and bronze. In many cases, it can achieve TIG-like results, but much faster and with higher productivity.
- Large, intuitive colour LCD screen for easy setup and control
- Easy machine setup with 15 synergic programs in standard, pulse, and double pulse MIG, manual MIG and spool gun modes
- Gas/Gasless ready to weld anywhere
- Heavy-duty gear driven wire feeder for smooth wire delivery
- Requires a 15 amp plug

\$1390⁴³
+ GST
\$1,599 GST Incl.

\$11.00 GST Incl.

Welding Magnet 20kg 112mm AGS0140

\$9⁵⁷
+ GST
\$11.00 GST Incl.

Locking C-Clamp with Swivel Pads

- Knurled tension screw provides powerful one-handed grip
- Swivel pads stabilise surfaces and prevent damage
- Firmly holds metal parts during welding and fab
- Secures wood and plastic during temporary assembly

MODEL	SIZES	EXC GST	INC GST
